

CERTIFICATE OF COMPLETION

AB Talks 10-Day Capstone Sprint

This certifies that

RAJSHREE

has successfully designed, built, and launched **FocusFlow** — an AI-powered task prioritization and daily planning application — completing the full software development lifecycle from requirements through a production-ready release, as the capstone project of the **AB Talks 60-Day Claude AI Challenge**.

PROJECT	VERSION	COMPLETION DATE
FocusFlow	v1.0.0	08/08/2026

Built with Claude (free tier) as AI pair-programmer and project mentor throughout the sprint.
